

SUSTAINABLE INNOVATIONS GETS A TURNOVER OF €1.5 MILLION AFTER FIVE YEARS OF OPERATION

SUSTAINABLE INNOVATIONS HITS €1.5 MILLION INCOME, A 900 % GROWTH IN 4 YEARS

Madrid, May 31, 2022 – SUSTAINABLE INNOVATIONS, the consultancy company leader in the management and commercialisation of Innovation Projects, has obtained an income of more than €1.5 million at the end of the 2021 fiscal year when it celebrates five years of operation.

Thanks to an evolving project portfolio in 5-year time, and more than 500 organisations on its network receiving support for the finance of their innovative and sustainable projects, SUSTAINABLE INNOVATIONS has consolidated its growth from the €150,000 income in 2018 until the current €1.5 million, an increase of a 900 %.

In 2022, SUSTAINABLE INNOVATIONS celebrates its fifth anniversary of operation through several milestones, not only from the financial point of view but from the achievement of business goals. In this sense, the company has been recognised as one of the 50 best R&D Spanish entities, by the European Research Ranking, and it has also obtained a success rate in European proposal writing of a 40%, both in public and private funding.
